Crescendo Musician Development Program

CSMA has a wealth of music offerings that students will experience.

Included in Crescendo:

- Weekly private Instrument lesson (Your choice of instrument)
- Participation in ensembles
- MMTA Music Theory Class and/or various musician development classes (e.g. composition, music listening, ear training, group lessons, rhythm class, etc.)
- Recitals and other performance opportunities

Students will be enrolled for the 2022-2023 school year. The activities are subject to change based on instructor availability, enrollment numbers, and scheduling.

Physical Activities

- **Motion Commotion**

Students will enjoy daily indoor or outdoor structured and unstructured physical activities and games. Students will learn skills in teamwork while building self-esteem, confidence, and respect for others.

Clubs & Teams

- **Math Team (On-Site & Online)**

Students will use a competition math curriculum that will enhance their problem solving skills and give them the knowledge and experience needed to compete in math competitions. This will include fun in-house competitions throughout the year. Students will be placed in appropriate teams according to their math/problem solving proficiency levels.

- **Chess Club (On-Site & Online)**

Students will play chess and learn various chess strategies. Chess Club members will decide on goals for the club within the first few weeks.

- **Geography Club (Online & On-Site)**

A favorite activity for many students is now an official Cyprus club!

Gear up for a globe-trotting adventure as we travel across the world (from the comfort of our seats) as we dive in to a crash course in geographical learning. We will explore topics ranging from ecology, biology, geology and countries as we learn about our world and the people and creatures we share it with. We will examine how geography influences architecture, culture, and society at large. Finally, we will put our knowledge against each other in a geography bee, where we will compete to see who has mastered their knowledge of the world.

...And don't worry, there will be plenty of Geoguessr too!

- **Additional Classes & Clubs will be announced after Assessment Week**

Below is the extracurricular class schedule for the beginning of the 2023-2024 school year. There may be additions or changes at the semester mark.

Instrument Lessons & Ensembles

Cyprus School of Music and the Arts has many music offerings and attracts a high percentage of Cyprus Classical Academy students.

We currently offer weekly lessons in the following instruments:

Piano	Violin	Electric Guitar
Voice	Viola	Bass Guitar
Guitar	Cello	Drums
Ukulele	Double Bass	Band Instruments

Playing with others makes learning an instrument worth it! Students who join ensembles are more likely to stay motivated to continue learning an instrument longer. Cyprus School of Music and the Arts offers the following ensembles.

String Ensembles
 Mixed Ensembles
 Vocal Ensembles
 Pop/Rock Bands
 Percussion Ensembles

Lessons are year-round, and the tuition ranges between \$140—\$155/month

On-Site Extended Day Enrichment Program Policies

- Students are enrolled in the extended day program they select for the entire year.
- If enrolled in the Crescendo Musician Development Program, parents may change or terminate enrollment for 2nd semester (which begins mid January) by providing written notice to csma.admin@cyprusclassicalacademy.com by 12/1 of the school year.
- There will be no reductions or refunds for missed days, teacher absences, or early pick-ups.
- Families may add to their child's regular schedule with at least one week's notice, as long as there is space available in the desired time-slot. The additional fee will be pro-rated and will become the child's permanent schedule and subject to all policies.
- If a family chooses an extended day schedule, they must choose specific days and times on an ongoing basis for the school year. Changes in schedule must be approved by the administration.
- Parents/Guardians will select classes for their child for the school year. CSMA Administration reserves the right to change or cancel classes for any reason. If that occurs, students will be placed in alternative classes on the same day.
- Automatic monthly payments are required and are handled through a 3rd party system.
- Intention to withdraw from the program must be sent via e-mail to csma.admin@cyprusclassicalacademy.com
- Withdrawal from the Extended Day Enrichment Program

Between September 1- November 15 — 25% of the total tuition is payable to the school.

Between November 16—January 15 — 75% of the total tuition is payable to the school.

AFTER January 15 — 100% of total tuition is payable to the school.

Additional Hours and Late Fees

- ⇒ With notice, and staff permitting, a child who is not enrolled in the Extended Day Enrichment Program on any given day may request to stay for delayed pick-up (4:00) at the rate of \$7.50/day. The payment will be added to their TADS account.
- ⇒ Parents are responsible for picking children up on a timely basis according to the agreement made with the school upon enrollment. A late fee will be assessed at \$1/minute for children picked up after their registered end time.
- ⇒ Parents must be in the building and ready to pick up their child at the end-time of their scheduled program.
